

**Helsinki-Vantaa Airport in Finland will be the first Airport in Europe, where passengers can enjoy from the services of one of the biggest shopping centre of the whole country – Jumbo Shopping Centre. Opening of the airport parking service at the Shopping Centre will connect the Airport and the Shopping for the benefit of the flight passengers.**

European airports have been criticized about the over pricing of products and services at the terminals. This is going to be change since GoParking Ltd, one year old airport parking service, will open the first in Europe airport parking service within the biggest in sales shopping centre in Finland, Jumbo Shopping Centre. Opening of the service will be held on January 16, 2017 at 12.00. Departing and arriving passengers have over 120 shops and other services to choose from and the best thing is the normal retail price level.

The main aim of the GoParking Ltd has been from the start to offer the most high quality customer friendly airport parking service and to use the means of digitalization where applicable. Today airport parking customers can enjoy from the IT solutions, which makes the booking, paying, departing and arriving as easy as it possible can be.

Shopping centre airport parking concept will be expanded during this year for the honour of 100-years old Finnish state also to other Scandinavian countries. The negotiations for opening the concept in Dubai and Tehran are also held.

#### DESCRIPTION OF THE AIRPORT PARKING SERVICE

GoParking have capable and customer friendly staff, who will help the customers in all the matters concerning the airport parking service. Customer has the possibility to make the parking reservation online beforehand. Also, the flight schedule is followed online to make sure that the transfer service is available on time on both ends of the journey. Customers of GoParking will avoid useless walking and waiting.

At Jumbo Shopping Centre, the whole parking level 5 is reserved for airport parking customers. Parking fee includes the parking and the transfer service from the Shopping Centre to the Airport terminal 1 or 2 and back after the flight. Transfer from the Shopping Centre leaves from the taxi stand on the level 3. And the transfer back to the Shopping Centre leaves from our platforms in front of the terminals. Distance between Helsinki-Vantaa Airport and Jumbo Shopping Centre is 5 min. GoParking signs will be guiding the whole way.

Our mission is to make the airport parking to the easiest step on the whole journey.

Airport parking and customer service is available 24/7 year around. Telephone number +358449882560 serves on each step on the parking process. Departing and arriving customers have all the Jumbo Shopping Centre services available within the opening hours of the Shopping Centre.

Possibility for interviews in the grand opening starting at 11.30 at the main Lobby of the Jumbo Shopping Centre.

Welcome!
